- (a) annual assessments or charges;
- (b) charges for capital contributions and
- (c) special assessments.

Such annual and special assessments and capital contributions shall be established and collected as hereinafter provided. The annual and special assessments and capital contributions, together with interest, costs and reasonable attorneys' fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each assessment and charge for capital contribution is made. Each such assessment and charge for capital contribution, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the party who is the Owner of such Lot at the time when the assessment or the charge for capital contribution falls due. In the event there is more than one owner of any given Lot, all owners of such Lot shall be jointly and severally liable for the entire amount of such assessment and capital contribution. The personal obligation for delinquent assessments and charge for capital contributions shall not pass to a successor in title to the Lot unless expressly assumed by them; however, the continuing lien against any portion of the Properties shall not be extinguished or affected by a conveyance thereof, unless otherwise provided herein.

Section 2. PURPOSE OF ANNUAL ASSESSMENTS AND CHARGE FOR CAPITAL CONTRIBUTIONS. The annual assessments levied by the Association and charge for capital contributions shall be used to enable the Association

- (a) to provide for construction, improvement and maintenance of the Entrance Area, Recreation Area, Streetscape Easement, and the Stormwater Management Easement, and the improvement and maintenance of the Park, as such may be constructed and/or improved from time to time as provided for herein, including without limitation electrical lighting, signage, sculpture, irrigation, landscaping, and construction, maintenance and repair of all of the foregoing;

The Association shall be responsible for the construction, maintenance, operation and repair of the stormwater management system(s). Maintenance of the stormwater management system(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the St Johns River Water Management District. The Association shall be responsible for such construction, maintenance and operation. Any repair or reconstruction of the stormwater management system shall be as permitted, or if modified as approved by the St John's River Water Management District;
- (c) to provide for improvement and maintenance of the roadway improvements as the Declarant and/or the Association shall be obligated to maintain or repair pursuant to the terms of any Agreement made or to be made between Declarant and St Johns County;
- (d) to provide for all expenses of operating the Association, including without limitation, insurance expense, legal and accounting fees, payroll and general office operating expenses and to pay any and all other things necessary or desirable in the judgment of the Board of Directors;
- (e) to repay funds, together with the interest thereon, borrowed by the Association and used for the purposes referred to herein; and
- (f) to accumulate reasonable reserves for the foregoing purposes.

It shall not be necessary for the Board of Directors of the Association to allocate or apportion in a line-item budget the funds collected pursuant hereto or expenditures therefrom among the various purposes specified herein and the judgment of the Board of Directors and expenditure of the funds shall be final. The Board of Directors, in its discretion, may hold the funds invested or uninvested and may reserve such portion of the funds as the Board deems advisable for expenditures in the years following the year for which the assessment was made.

Section 3. **MAXIMUM ANNUAL ASSESSMENT.** Until January 1 of the year immediately following the conveyance of the first Lot to an Owner the maximum annual assessment shall be Seven Hundred Fifty Dollars and No Cents (\$750.00) per Lot.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than fifteen percent (15%) above the maximum assessment for the previous year without a vote of the membership as hereinafter provided.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above fifteen percent (15%) by a vote of a majority of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.
- (c) The Board of Directors may fix the annual assessment as of January annually at an amount not in excess of the maximum amount set forth herein without a vote of the membership. The membership is something

Section 4. **SPECIAL ASSESSMENTS.** In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any part of the Entrance Area, Development Edge, Recreation Area, Park or the Stormwater Management Easement area, together with any and all improvements located thereon maintained by the Association, provided that any such assessment shall have the assent of a majority of the vote of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. Special assessments may also be levied against any Owner of a Lot for expenses incident to the abatement of a nuisance on any Lot or for expenses incurred as a result of enforcing any of the provisions of this Declaration. Such special assessments may be levied at any special or annual meeting of the Board of Directors of the Association. The due dates for any special assessments under this section shall be established by the Board of Directors. Notwithstanding the above, special assessments to pay AI Installments (as defined in Section 11) may be levied each year as contemplated by the provisions of Section 11 until such time as the entire AI Amount (as defined in Section 11) has been paid in full, and any such assessments shall not be subject to any consent, vote or approval by or of the Lot Owners.

Section 5. **NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 AND 4.** Written notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 shall be sent to all members not less than fifteen (15) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast thirty percent (30%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. **UNIFORM RATE OF ASSESSMENT.** Both annual and special assessments must be fixed at a uniform rate for each Lot and may be collected on a monthly, quarterly, semiannually or annual basis as determined by the Board of Directors of the Association provided, however, that special assessments may be levied non-uniformly against one or more Owners as provided in Section 4 subparagraph (c) hereof. Notwithstanding any provision that may be contained to the contrary in this instrument for so long as Declarant is the Owner of any Lot, the Declarant shall not be liable for assessments against such Lot, provided that Declarant fund any deficit in the annual operating expenses of the Association. Declarant may at any time commence paying such assessments as to all Lots that it owns and thereby terminate its obligation to fund deficits in the annual operating expenses of the Association.

Section 7. **DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS; DUE DATES.** The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the first Lot. Notwithstanding the foregoing, as to vacant Lots purchased directly from Declarant, annual assessments shall not commence until the earlier to occur of (i) completion of construction of a single family residence and subsequent conveyance to a third party who will occupy such residence, or (ii) the first day of the first month following that date which is six (6) months after such Lot is purchased from Declarant. Initial annual assessments shall be paid in advance and shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the

annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. WORKING CAPITAL CONTRIBUTIONS; DUE DATE. The charge for working capital contribution shall be Five Hundred Dollars and no/100 (\$500.00) for every conveyance of title to any Lot to any person or entity other than Declarant. The charge for such working capital contributions shall be due and payable to the Association by the Owner of such Lot at the time of conveyance of title to a Lot to such Owner and such payment shall be accompanied by a copy of the deed evidencing such conveyance.

Section 9. LIEN FOR ASSESSMENTS. All sums assessed to any Lot, together with interest and all costs and expenses of collection, including reasonable attorneys' fees, are secured by a lien on such Lot in favor of the Association, which shall be evidenced by a recorded claim of lien executed by an officer of the Association. Each such assessment, together with interest and all costs and expenses of collection, including reasonable attorneys' fees, also is the personal obligation of the Person who was the Owner of such Lot when such assessment fell due. Such personal obligation for delinquent assessments does not pass to an Owner's successors in title, however, unless assumed expressly in writing.

(a) Remedies of the Association.

(i) Personal Obligation. Any assessment not paid within thirty (30) days after its due date bears interest from the due date, at a rate established from time to time by the Board of Directors, not to exceed the maximum lawful rate from time to time permitted under the laws of the State of Florida, nor to be less than ten percent (10%) per annum. The Association may bring an action at law against any Owner personally obligated to pay such assessment, or foreclose its lien against such Owner's Lot. No Owner may waive or otherwise escape liability for the Association's assessments by nonuse of the common areas or by abandonment of such Owner's Lot, or for any other reason except as determined by a court of competent jurisdiction. A suit to recover a money judgment for unpaid assessments may be maintained without foreclosing, waiving, or otherwise impairing the Association's lien, or its priority.

(ii) Foreclosure. The Association's lien may be enforced by judicial foreclosure by the Association in the same manner in which mortgages on real property from time to time may be foreclosed in the State of Florida. In any such foreclosure, the Owner is required to pay all costs and expenses of foreclosure, including reasonable attorneys' fees, and any assessments against the Lot that become due during the period of foreclosure. All such costs and expenses and assessments are secured by the lien foreclosed. The Association has the right to bid at the legal sale to acquire the Lot foreclosed, or to acquire such Lot by deed or other proceeding or conveyance in lieu of foreclosure, and thereafter to hold, convey, lease, encumber, and otherwise deal with such Lot as an owner.

(b) Homesteads. By acceptance of a deed or other conveyance of title to any Lot, the Owner of each Lot is deemed to acknowledge that the assessments established by this Article are for the improving and maintenance of any homestead thereon and that the Association's lien has priority over any such homestead.

(c) Subordination of Lien. The lien for the assessments provided in this Article is subordinate to the lien of any first mortgage. Sale or transfer of any Lot does not affect the assessment lien, except that the sale or transfer pursuant to a first mortgage foreclosure or any proceeding or conveyance in lieu thereof, extinguishes the assessment lien as to payment that became due before such sale or transfer, unless such assessment was secured by a claim of lien for assessments that is recorded prior to recording of said first mortgage. Any assessment extinguished by the foreclosure of a first mortgage or conveyance in lieu thereof, shall be deemed to be an expense of the Association collectible from all Owners (including the foreclosing first mortgagee) in accordance with the Association's normal assessment procedures. No such sale or transfer relieves such Lot from liability for assessments thereafter becoming due, or from the Association's lien. The Association shall report to any first mortgagee of a Lot any assessments remaining unpaid for more than thirty (30) days and shall give such first mortgagee thirty (30) days in which to cure such delinquency before instituting foreclosure proceedings against such Lot, provided such first mortgagee has given the Association written notice of its mortgage, designating the Lot encumbered by a proper legal description and stating the address to which notices shall be given. Nothing herein shall be construed to impose on the first mortgagee any duty to collect assessments.

Section 2. **A.R.C. AUTHORITY.** Unless the Declarant is designated by this Declaration to regulate a particular design aspect of the Properties, the A.R.C. has full authority to regulate the use and appearance of the exterior of the Property (including without limitation the Entrance Area, the Streetscape Easement or the Storm Water Management Easement) to (a) assure harmony of external designs and location in relation to surrounding buildings and topography, (b) protect and conserve the value and desirability of the Properties as a single family residential community, (c) maintain, to the extent reasonably practical, the exterior design, appearance, and landscaping of the improvements located on the Properties in substantially the same appearance and condition as existed at the completion of construction of the improvements, subject to normal wear and tear that cannot be avoided by normal maintenance, and (d) maintain compatibility of external appearance among the improvements located on the Properties. The power to regulate includes the power to prohibit, and to require the removal of (when constructed without the A.R.C. approval) those exterior appearances, uses, or activities inconsistent with the provisions of this Declaration, or contrary to the best interests of other Owners in maintaining the value and desirability of the Properties as a single family residential community. The A.R.C. may adopt, rescind and amend reasonable rules and regulations in connection with the foregoing provided, however, such rules and regulations: (i) shall be consistent with the provisions of this Declaration, and (ii) if the Board of Directors has not constituted itself as the A.R.C., shall have been approved by the Board of Directors before taking effect. Violations of the committee's rules and regulations shall be enforced by the Board of Directors in the name of the Association.

Section 3. **A.R.C. APPROVAL.** Except for all construction relating to the initial development of the Properties by Declarant and items installed by Declarant as part of such development, the A.R.C.'s prior approval is required for any and all construction, changes (including color changes), alterations, additions, reconstruction, or improvements of any nature whatsoever on any Lot or to the exterior of any improvements within the Properties unless any structure, use, or activity is expressly permitted by the A.R.C.'s promulgated rules and regulations from time to time in effect. Builders or Owners must contact Declarant or the A.R.C. for current required policies and procedures and submit requests for A.R.C. approval. Applicants will require a refundable deposit of \$250.00. The purpose of this deposit is for the protection of all homeowners by insuring compliance with the A.R.C. requirements and prompt response to requests for action during construction. When the residential construction is complete and all improvements have been approved by the A.R.C., the deposit will be refunded (less any damages withheld at sole discretion of the A.R.C.).

Section 4. **CONSTRUCTION OF IMPROVEMENTS.** No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties nor shall any exterior addition, change or alteration of any structure be made nor shall any radio, television aerial or antenna, satellite dish, or other exterior electronic or electrical equipment or device be installed on the Properties; nor shall any mailbox, newspaper box or other receptacle of any kind for use in the delivery of mail, newspapers, magazines or similar materials be installed or located on the Properties; until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association or by the A.R.C.

Section 5. **LAND USE AND BUILDING TYPE.** Unless approval in writing is given by Declarant prior to the cessation of Declarant's Class B membership in the Association, and except as authorized by this Declaration, (a) no Lot shall be used except for residential purposes and for associated purposes such as for easements and for storm drainage; (b) no building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single-family dwelling not to exceed thirty-five (35') feet in height and a private garage for not less than two cars; and (c) no building situate on any Lot shall be rented or leased separately from the rental of the entire Lot. No sheds, carports, or auxiliary structures shall be permitted to exist on any Lot except as approved by the A.R.C. The provisions hereof shall not be construed to prohibit the Declarant or any Builder authorized by Declarant from utilizing any residential dwelling for a model home or sales office.

Section 6. **MOTORISTS' VISION TO REMAIN UNOBSTRUCTED.** No fence, wall, hedge, shrub, bush, tree or other things, natural or artificial, may be placed or located or maintained on any Lot if the location of same will, in the sole judgment and opinion of the A.R.C., unreasonably obstruct the vision of the motorist upon roadways in the Properties.

Section 7. **MINIMUM SQUARE FOOTAGE FOR ANY PRINCIPAL RESIDENCE.** No residence which is the principal residence on a Lot shall be erected or allowed to remain on any Lot unless the square footage of heated area thereof, exclusive of porches, garages and storage rooms, shall equal or exceed 1,200 square feet.

Section 8. **SET BACK FOR ALL STRUCTURES AND VIEW EASEMENT.** No residential dwelling shall be nearer than fifteen (15') feet to the front Lot line, nor nearer than ten (10') feet to the rear lot line, nor nearer than five (5') feet to any side Lot line. No garage or other structured dwelling shall be nearer than twenty (20') feet to the Lot line.

Section 9. **OTHER STRUCTURES.** Any equipment, including without limitation, any air conditioning equipment, water softener, or similar equipment, that is located outside shall be enclosed or screened so that such equipment shall not be visible from any contiguous street or Lot. The material and design of such enclosure shall be subject to the written approval of the A.R.C. No other improvements or structure, whether attached or detached, shall be erected or placed on any Lot without the prior written consent of the A.R.C.

Section 10. **LANDSCAPING.** In connection with the construction of improvements on any Lot, complete landscaping plans must be approved in advance in writing by the A.R.C., together with the plans and specifications for construction of improvements as described in Section 3 of this Article. No living trees greater than twelve (12") inches in diameter measured four (4') feet above the natural surface of the ground may be removed without the written approval of the A.R.C. Any person removing trees in violation of this covenant may be subject to a special assessment for mitigation as determined by the A.R.C. In the event that an Owner deems it necessary to remove a tree because it is dead, damaged, or the failure to remove it could result in significant injury or damage to person or property, such Owner shall obtain from a qualified landscape architect, tree surgeon or removal specialist, a statement that the tree is in fact dead, damaged or has the potential to cause injury, which statement must be accepted and approved by the A.R.C. prior to the tree's removal. No artificial vegetation shall be placed or maintained on any Lot. No weeds, underbrush or other unsightly vegetation shall be permitted to grow or remain on any Lot. Natural areas as part of an overall landscaping plan must be approved by the A.R.C. No grading, filling, or other alteration of any Lot shall be undertaken at any time without the prior written approval of the A.R.C. The provisions of this Section 10 shall not be binding upon the Declarant.

Section 11. **NO OVERHEAD WIRES.** All telephones, electric and other utility lines and connections between the main utility lines and the residence and other buildings located on each Lot shall be concealed and located underground so as not to be visible. Electric service is provided through underground primary service lines running to transformers. The Declarant has provided underground conduits to serve each Lot extending from the applicable transformer to a point at or near a Lot line, and such conduit from the transformer to each Lot shall be, become and remain the property of the Owner of the Lot. Each Lot Owner requiring original or additional electric service shall be responsible to complete at his expense the secondary electric service conduits, wires (including those wires in the conduit provided by the Declarant), conductors and other electric facilities from the point of the applicable transformer to the residence or other building on the Lot, and all of the same shall be and remain the property of the Owner of each Lot. The Owner, from time to time, of each Lot shall be responsible for all maintenance, operation, safety, repair and replacement of the entire secondary electrical system extending from the applicable transferor to the residence, building, or other improvements on his Lot.

Section 12. **COMPLETION OF COMMENCED CONSTRUCTION.** When the construction of any approved building is once begun, work thereon shall be prosecuted diligently and continuously until the full completion thereof. The main residence and all related structures shown on the plans and specifications approved under Article IV hereof must be completed within eight (8) months after the start unless such completion is rendered impossible as the direct result of strikes, fires, national emergencies or natural calamities. At the commencement of construction on any Lot, all vehicles involved in such construction, including those delivering materials and supplies (except those trucks large or heavy enough to damage said driveways) shall enter upon such Lot from the street only at the driveway. Such vehicles shall not be parked at any time on the street or upon property other than the Lot on which the construction is proceeding. The owner of any Lot during construction shall be personally liable to repair any and all damage to curbs, gutters, driveways, sidewalks, and pavement within the subdivision caused or occasioned by such construction and all such damage shall be repaired as soon as practicable but no later than within ten (10) days after such damage. Upon the failure of such Owner to

timely repair such damage, the A.R.C. may cause such repairs to be made under and resort to the remedies provided by Article VII hereof.

Section 13. FENCES. – Except as approved by the A.R.C., no fence, wall or hedge shall exceed six (6) feet in height and no chain link or similar style fence shall be allowed on any Lot. All fences, except those abutting a lake, shall be constructed in white vinyl material or of a color, design and material approved in advance by the ARC. No fence or wall shall be built beyond the plane from the front corner of the Home to the side lot lines. For corner Lots, no fence or wall on the side common to the street right of way shall extend forward of the rear corner of the Home. On lots abutting lakes, canals or other bodies of water, no fence shall be placed beyond the top of the bank. Only open picket, black metal fences shall be allowed along the rear Lot line and along the rear sixteen feet (16') of each side Lot line. Fencing on the side Lot lines of Lots abutting lakes, canals or other bodies of water may be either four (4) or six (6) feet, open picket, black metal or vinyl of a color, design and material approved in advance by the ARC, with the rear sixteen feet (16') transitioning from four (4) to six (6) feet, if applicable. The Owner assumes complete responsibility to maintain any fence on such Owner's Lot, including, but not limited to, trimming any grass, ivy or other plants from the fence. In the event the ARC approves the installation of a fence, it shall also have the right to require installation of landscaping, also subject to the ARC's approval, at the time the fence is installed.

Notwithstanding that an Owner has obtained the approval of the ARC to install a fence or landscape materials, as provided hereinabove, such installation shall be at the Owner's sole risk so long as Declarant has not yet begun or is engaged in the construction of a Home on an adjacent Lot. In the event such construction activity on an adjacent Lot causes damage to or destruction of such Owner's fence or landscape materials or any part thereof, the Owner on whose Lot the fence and/or landscaping has been damaged shall be required, at the Owner's expense, to repair or replace such fence and/or landscape materials in conformance with the requirements of the ARC's approval of the initial installation of the fence and/or landscape materials and Declarant shall have no liability for any such damage or destruction. Such repair or replacement shall commence as soon as construction on the adjacent Lot has been completed and shall be pursued to completion with due diligence. For purposes of this paragraph, the term "landscape materials" shall include landscape materials located on or adjacent to any property line of a Lot, including, by way of example and not of limitation, hedges, shrubs and trees, whether associated with a fence or not.

Section 14. DRIVEWAYS AND SIDEWALKS. Each owner of a single family residence upon a Lot shall construct, or cause to be constructed at his expense prior to occupancy of any such residence, a driveway extending from the paved portion of the abutting street to the garage entrance accompanying such residence; no ribbon or strip driveways shall be constructed out of concrete unless the written approval of the A.R.C. is first obtained.

Section 15. DRAINAGE EASEMENTS AND STORM/SURFACE WATER MANAGEMENT.

- (a) Developer has granted or acknowledged Drainage Easements upon portions of Lots located within the platted portion of the Properties, for the purpose of draining the flow of excess surface water, if any, found upon a Lot from time to time. Each Owner of a Lot encumbered with a drainage easement, including any Builder, agrees to maintain these Drainage Easements in accordance with the Neighborhood Grading and Drainage Plan approved by St Johns County, a copy of which is on file with the Association. Any damage to the Drainage Easements, whether caused by natural or manmade phenomena, shall be repaired and the Drainage Easements returned to their former condition as soon as possible by the Owner(s) of the Lot(s) upon which the Drainage Easements are located. The St. Johns River Water Management District has jurisdiction over this subdivision and has issued Stormwater Discharge Permit No. FLR20CZ81 authorizing construction and operation of a storm and/or surface water management system to serve the subdivision. No alteration to any part of the aforementioned system, including but not limited to, lakes, swales and pipes, will be allowed without the written consent of Declarant and the St. Johns River Water Management District. All clearing, grading and other construction activities must comply with the terms and conditions of the said permit.
- (b) The Association shall have a perpetual non-exclusive easement over all areas of the surface water or stormwater management system for access to construct, operate, maintain or repair the system. By this easement, the Association shall have the right to enter upon any portion of any Lot which is a part of the surface water or stormwater management system, at a reasonable time and in a reasonable manner, to construct, operate, maintain or repair the surface water or stormwater management

system as required by the St. Johns River Water Management District permit. Additionally, the Association will have a perpetual non-exclusive easement for drainage over the entire surface water or stormwater management system. No person shall alter the drainage flow of the surface water or stormwater management system, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District or, if applicable, the Florida Department of Transportation.

Section 16. APPLICATIONS. All applications to the A.R.C. must be in writing and accompanied by detailed and complete plans and specifications. If the A.R.C. does not approve or disapprove any application in writing within thirty (30) days after receipt of a completed application including the \$250.00 deposit, the A.R.C.'s approval will be deemed given as to all applications not prima facie in violation of the terms of this Declaration. In all other events, the A.R.C.'s approval must be in writing.

Section 17. INSPECTION. The A.R.C. or its designate shall inspect the construction after completion to assure compliance with approved plans and specifications and shall issue a certificate of compliance; provided, however, if such construction is not compliant, then it shall report to the Board of Directors specifying the matters of noncompliance. The Board of Directors shall consider the matters of noncompliance and shall afford the affected Owner or his representative an opportunity to be heard regarding such matters following reasonable notice of the meeting at which these matters will be considered. The Board of Directors shall thereafter issue a directive excusing the noncompliance or requiring the Owner to correct the noncompliance items.

Section 18. LIMITED LIABILITY. In connection with all reviews, acceptances, inspections, permissions, consents, or required approvals by or from the Declarant or the Association, neither the Declarant, the A.R.C. members, the Board of Directors, the Professional Advisor, nor the Association shall be liable to an Owner or to any other person on account of any claim, liability, damage, or expense suffered or incurred by or threatened against an Owner or such other person and arising out of or in any way related to the subject matter of any such reviews inspections, consents, or required approval whether given, granted, or withheld.

Section 3. **RESIDING ONLY IN RESIDENCE.** No basement, garage or any outbuilding of any kind, even if otherwise permitted hereunder to be or remain on a Lot, shall be at any time used as a residence either temporarily or permanently, except that a construction trailer may be used for office purposes during the period of construction of the main residence.

Section 4. **SIGNS.**

- (a) No sign of any character shall be displayed or placed upon any Lot except for the following, (i) "FOR SALE" or "FOR RENT" signs, which signs must refer only to the particular premises on which displayed, and must be of materials, size, height and design approved by the A.R.C., which approval shall not be unreasonably withheld; (ii) those signs required by law or statute; and (iii) not more than 2 (two) Political Signs for current upcoming elections and must be of materials, size, height and design approved by the A.R.C., which approval shall not be unreasonably withheld. The Owner of any Lot violating the provisions of this paragraph shall correct said violation upon notice from Declarant or the Association.

- (c) Notwithstanding anything contained herein, the Declarant, the A.R.C. or their designated representatives or any person having the right to enforce this Declaration may enter upon any Lot and summarily remove any signs which violate the provisions of this Section and such entry and abatement, correcting or removal shall not be deemed a trespass or make the Declarant, the A.R.C., their designated representatives, or any person having the right to enforce this Declaration, liable in anywise for any damages on account thereof.

Section 5. **PETS.** Not more than two dogs or two cats or two domestic birds or four rabbits may be kept on a single Lot for the pleasure and use of the occupants; no animals shall be kept for any commercial or breeding use of purpose. If any animal becomes dangerous or an annoyance or nuisance in the neighborhood or to nearby property or destructive of wildlife, such animal may not thereafter be kept on the Lot. Birds and rabbits shall be kept caged at all times.

Section 6. **UPKEEP AND MAINTENANCE OF DWELLING AND LOTS.** Each Lot Owner shall prevent the occurrence of any unclean, unsightly or unkempt conditions of buildings or grounds of any Lot, which shall tend to decrease or adversely affect the aesthetic appearance of the development or specific areas therein. In addition to the foregoing, each Owner shall maintain and care for the grassed areas (including, without limitation, all landscaping thereon, if any) located between the front and/or side lot line of such Owner's Lot and the edge of the roadway in front and/or side of such Owner's Lot.

Section 7. **NO OFFENSIVE ACTIVITIES.** No illegal, noxious or offensive activity shall be permitted or carried on any part of any Lot, nor shall anything be permitted or done thereon which is or may become a nuisance or annoyance to the neighborhood. St Johns County, or its successors has the sole and exclusive right to provide all water and sewage facilities and service to the property described herein. Irrigation wells may be dug or drilled on any of the Lots to provide water for use upon the Lot; however, no water shall be used within any structure built upon a Lot except potable water, which is obtained from St Johns County, or its successors or assigns. All sewage from any building must be disposed of through the sewage lines owned or controlled by St Johns County, or its successors or assigns. No water from air conditioning systems, ice machines, swimming pools, or any other form of condensate water shall be disposed of through the lines of the sewer system.

Section 11. WATER AND SEWAGE REGULATIONS. All Lots and the dwellings thereon are subject to all rules and regulations relative to water and sewage rates, usage, rights, privileges and obligations regarding such service as may be adopted from time to time by FPL, its successors and assigns, and St Johns County.

- Section 1. ASSOCIATION MAY CORRECT VIOLATIONS. Wherever there shall have been built or there shall exist on any Lot any structures, building, thing or condition which is in violation of any provision of this Declaration, the Association shall have the right, but no obligation, after ten (10) days written notice has been given to the Lot Owner of such violation, to enter upon the Property where such violation exists and summarily to abate, correct or remove the same, all at the expense of the Owner of such Lot, which expense shall be payable by such Owner to the Association, on demand, and such entry and abatement, correction or removal shall not be deemed a trespass or make the Association liable in any way for any damages or account thereof.

If at any time hereafter there shall be no person, firm or corporation entitled to exercise the rights, powers, privileges, authorities and reservations given to or reserved by the Declarant under the provisions hereof, the same shall be vested in and be exercised by the Association. Nothing herein contained, however, shall be construed as conferring any rights, powers, privileges, authorities or reservations in the Association except in the event aforesaid.
- Section 3. AMENDMENTS – RELEASE BY DECLARANT. The Declarant reserves and shall have the sole right (a) to amend this Declaration, (b) to include in any contract or deed or other instrument hereafter made any additional covenants, restrictions, and easements applicable to a particular Lot, PROVIDED, HOWEVER, that any amendments or additions to this Declaration shall conform to the general purposes and standards of the provisions herein contained, and (c) to release any Lot from any of the provisions of this Declaration which have been violated (including without limiting the foregoing violations of building restriction lines, setback lines, and provisions hereof relating thereto) if the Declarant, in its sole judgment, determines such violations to be minor and insubstantial.
- Section 4. AMENDMENT WITH CONSENT OF OWNER AND EFFECTIVE PERIOD. In addition to the rights of Declarant as set forth in Section 3 above, this Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than seventy five (75%) percent of the Lot Owners and by Declarant until the Class B membership of the Declarant in the Association shall cease, and thereafter by an instrument signed by not less than sixty (60%) percent of the Lot Owners. Any amendment must be recorded.
- Section 5. ANNEXATION BY DECLARANT. Additional property may be made part of the Properties, at Declarant's sole discretion, until the Class B membership of the Declarant in the Association shall cease. No consent to such annexation shall be required from any other party. Such annexed additional property shall be brought within the provisions and applicability of this Declaration by recording an amendment or supplemental declaration to this Declaration in the public records. The amendment or supplemental declaration shall subject the annexed property to the covenants, conditions, and restrictions contained in this Declaration as fully as though the annexed property were described herein as a portion of the Properties as originally recorded.
- Section 6. AMENDMENT – STORMWATER MANAGEMENT SYSTEM. Any amendment to this Declaration which alter any provision relating to the surface water or stormwater management system, beyond maintenance in its original condition, including the water management portions of the common areas, must have the prior approval of the St. Johns River Water Management District.
- Section 7. LEGAL ACTION ON VIOLATION. If any person, firm, corporation or other entity shall violate or attempt to violate any of the provisions of this Declaration, it shall be lawful for Declarant, the Association or Owner to (a) prosecute proceedings at law for the recovery of damages against those so violating or attempting to violate the provisions of this Declaration and (b) prosecute proceedings in equity for the purpose of preventing or

enjoining all or any such violations or attempted violations. The remedies contained in this paragraph shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of Declarant, the Association or any Owner to enforce any covenant or restrictions or any obligation, right, power, privilege, authority or reservation herein contained, however long continued, shall in no event be deemed as a waiver of the right to enforce the same thereafter as to the same breach or violation thereof occurring prior or subsequent thereto. Declarant and Association shall not have any liability to any Owner, mortgagee, or tenant for failure to enforce any of the provisions of this Declaration. Any Owner found in violation of any of the provisions of this Declaration shall be obliged to pay a reasonable attorneys' fee to the successful plaintiff in all actions seeking to prevent, correct or enjoin such violations or in damage suits thereon. All provisions of this Declaration shall be deemed several and independent. The invalidity of any of the provisions of this Declaration shall in no way impair the validity of the remaining provisions or any part hereof.

Section 8.

The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the surface water or stormwater management system. Notwithstanding anything to the contrary contained herein, Failure of an Owner and/or their Tenant to comply with any limitations or restrictions in the Declaration or any of the Subdivision Documents or with any Rules and Regulations promulgated by the Association shall be grounds for action which may include, without limitation, **finest of not more than \$100.00 per day**, an action to recover sums due for damages, injunctive relief or any combination thereof. Without limiting the generality of the foregoing, an Owner and/or their Tenant shall also be responsible for the payment of any and all Legal Fees incurred by the Association in connection with the enforcement of any of the Subdivision Documents or with any Rules and Regulations promulgated by the Association.

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as a Director or officer of the Association or as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable grounds for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interest of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of gross negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seek Indemnification were properly incurred and whether such Director or officer acted in good faith in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. All such contracts or transactions shall, however, be fair and reasonable and upon terms reasonably comparable to those which could be obtained in arms length transactions with unrelated entities. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

The year of dissolution shall count as a whole year for purposes of the preceding fractions.

B. The Association may be dissolved upon a resolution to that effect being approved by a majority of the Board of Directors and by two thirds (2/3) of the Members. In the event of incorporation by annexation or otherwise, of all or part of the Property by a political subdivision of the State of Florida, the Association may be dissolved in the manner set forth above.

All such contracts or transactions shall, however, be fair and reasonable and upon terms reasonably comparable to those which could be obtained in arms-length transactions with unrelated entities. The year of dissolution shall count as a whole year for purposes of the preceding fractions.

B. The Association may be dissolved upon a resolution to that effect being approved by a majority of the Board of Directors and by two-thirds (2/3) of the Members. In the event of incorporation by annexation or otherwise, of all or part of the Property by a political subdivision of the State of Florida, the Association may be dissolved in the manner set forth above.
