

# Andalusia Architectural Application

This application is for the residents of Andalusia Homeowners to complete when it is required to obtain the Architectural Review Committee's approval. Please consult the Architectural Guidelines and the Covenants and Restrictions listed on the Alsop website to determine what is required. One form is required for each project type. Do not list multiple projects on one application form. **This application is NOT a substitute for any County permits. If a county permit is required, the application MUST follow that process in conjunction with the ARC application.**
