## **STORM WATER MANAGEMENT SYSTEM AND LAKES**

**Section 5.1 Duties of Association.** The Association shall be responsible for the maintenance, operation and repair of the surface water or stormwater management system(s) and the lakes located on the Property. Maintenance of the surface water or stormwater management system(s) and lakes shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the St. Johns River Water Management District. Any repair or reconstruction of the surface water or stormwater management system and lakes shall be as permitted or, if modified, as approved by the St. Johns River Water Management District

Only the Master Association or a sub-association authorized by the Master Association shall have the right to pump or otherwise remove any water from any lake located within or adjacent to the Property for the purpose of irrigation or other use. The Master Association or the Association (with the consent of the Master Association) shall have the sole and absolute right (but no obligation) to control the water level of such lake or lakes and to control the growth and eradication of plants, fowl, reptiles, animals, fish and fungi in or on any such lake. No Owner shall have the right to place herbicide or any other chemicals within any lake. No gas or diesel driven boat shall be permitted to be operated on any lake except in connection with maintenance performed by the Master Association or the Association. Lots and Limited Common Areas which are adjacent to or include a portion of a lake (the “**Lake Parcels**”) shall be maintained to the water’s edge by the Association so that the grass, plantings or other lateral support located within the Lake Parcels will prevent erosion of the embankment adjacent to the lake, and the height, grade and contour of the embankment shall not be changed without the prior written consent of the Master Association. Further, all shoreline vegetation shall be maintained and controlled by the Association. If the Association fails to maintain the embankment or shoreline vegetation as part of its landscape maintenance obligations, the Association and/or the Master Association shall have the right, but no obligation, to enter upon any such Lake Parcel to perform any maintenance work that may be reasonably required, all at the expense of the Association of the Lake Parcel pursuant to the provisions of Article VII of this Declaration. Title to any Lake Parcel shall not include ownership of any riparian rights. No docks, bulkheads or other structures shall be constructed on any embankments unless and until they are approved by the Declarant and the Master Association. The Association shall have the right to adopt reasonable rules and regulations from time to time in connection with use of the surface waters of any lake within adjacent to or nearby the Property. The Association shall have the right to deny such use to any person who in the opinion of the Association may create or participate in the disturbance or nuisance on any part of the surface waters of any such lake. The use of the surface waters of any such lake shall be subject to rights granted to other persons pursuant to the rules and regulations of the Association.

**Section 5.2 Covenant for Maintenance Assessments for the Association.** Assessments shall also be used for the maintenance and repair of the surface water or stormwater management systems and lakes including but not limited to work within retention areas, drainage structures, drainage easements and lakes.

**Section 5.3 Easement for Access and Drainage.** The Association shall have a perpetual non-

BK: 5553 PG: 912

exclusive easement over all areas of the surface water or stormwater management system and lakes for access to operate, maintain or repair the system. By this easement, the Association shall have the right to enter upon any portion of any Lot which is a part of the surface water or stormwater management system, or on which any part of a lake is located, at a reasonable time and in a reasonable manner, to operate, maintain or repair the surface water or stormwater management system and lakes as required by the St. Johns River Water Management District permit. Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire surface water or stormwater management system and the lakes. No person shall alter the drainage flow of the surface water or stormwater management system and the lakes including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District and the Association.

**Section 5.4 Enforcement.** The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Covenants and Restrictions which relate to the maintenance, operation and repair of the surface water or stormwater management system.

**Section 5.5 Swale Maintenance.** The Developer has constructed a Drainage Swale upon all or some of the Lots for the purpose of managing and containing the flow of excess surface water, if any, found upon such Lots from time to time. Each Owner of such Lots, including builders, shall be responsible for the maintenance, operation and repair of the swales on the Lot. Maintenance, operation and repair shall mean the exercise of practices such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the St. Johns River Water Management District. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the swales is prohibited. No alteration of the Drainage Swale shall be authorized and any damage to any Drainage Swale, whether caused by natural or human induced phenomena, shall be repaired and the Drainage Swale returned to its former condition as soon as possible by the Owner(s) of the Lot(s) on which the Drainage Swale is located.

**Section 5.6 Vegetative Natural Buffer (Upland Buffer)** There shall be set aside a permanent vegetative natural buffer (“Upland Buffer”) over that portion of the property shown on the plat as Upland Buffer/Unobstructed Drainage Easement. This Buffer is a part of the Surface water management system permitted by the St. Johns River Water Management District. The purpose of this Buffer is to detain and treat stormwater prior to drainage offsite. The following activities are prohibited within this Buffer: filling or excavation; planting, sodding or removing vegetation, irrigation, or construction of fences which impede the flow of surface water. No alteration of the Buffer shall be authorized without prior written authorization from the District. Any damage to any Buffer, whether caused by natural or human-induced phenomena, shall be repaired and the Buffer returned to its former condition as soon as possible by the Owner(s) of the Lot(s) upon which the Buffer is located or by the Association if located on Common Property.

**Section 5.7 Lot Owner Maintenance Responsibility.** Certain parts of the Storm Water

BK: 5553 PG: 913

Management System and the lakes may be partially located on certain of the Lots. The Association shall be required to maintain those parts of the Storm Water Management System and lakes located on their Lot. Should such Lot Owners damage those parts of the Storm Water Management System and lakes located on their Lot, the Association shall be authorized to enter upon such Lots and perform the necessary maintenance and assess the Lot Owner with the cost pursuant to Section 7.4. Regardless of the foregoing, the Association shall be responsible for the maintenance of the storm water management facilities and unobstructed drainage easements contained in Brandon Lakes.

## **ARTICLE VI**

### **UTILITIES**

**Section 6.1 Water System.** The central water supply system provided for the Property shall be used as the sole source of potable water for all water spigots and outlets located within or on all buildings and improvements located on each Lot. Each Owner shall pay water meter charges established or approved by the supplier thereof and shall maintain and repair all portions of such water lines located within the boundaries of such Owner's Lot. No individual water supply system or well for consumptive purposes shall be permitted on any Lot without the prior written consent of the Developer or the Association.

**Section 6.2 Sewage System.** The central sewage system provided for the Property, which shall be used as the sole sewage system for each Lot. Each Owner shall maintain and repair all portions of such sewer improvements and lines located within the boundaries of his Lot and shall pay when due the periodic charges or rates for the furnishing of such sewage collection and disposal service (including the initial hook-up) made by the operator thereof. No sewage shall be discharged onto the open ground or into any lake, pond, park, ravine, drainage ditch, canal or roadway.

**Section 6.3 Trash Collection.** All trash, garbage, refuse and rubbish shall be collected by persons, parties or entities approved by the Association. The Owners shall be responsible for paying all fees associated with collection of trash, garbage, refuse and rubbish.

## **ARTICLE VII**

### **COVENANTS FOR MAINTENANCE ASSESSMENTS**

BK: 5553 PG: 914

**Section 7.1 Annual Assessments.** For each Lot within the Property, Developer covenants, and each Owner, by acceptance of a deed or other conveyance, agrees to pay Annual Assessments levied by the Association for the improvement, maintenance and operation of the Common Property, the management and administration of the Association, and the furnishing of services as set forth in this Declaration, at a level sufficient to meet the Association's obligations, including contingencies and reserves. The Board of Directors shall set the date or dates such Annual Assessments shall become due and provide for collection of Assessments to be payable annually or in monthly, quarterly or semi-annual installments; provided, however, that upon default in the payment of any one or more installments, the entire balance of such Annual Assessment may be accelerated, at the option of the Board of Directors, and be declared due and payable in full. The Assessments shall be based on an annual budget with an equal amount due for each Lot.

**Section 7.2 Special Assessments.** In addition to the Annual Assessments, the Association may levy in any fiscal year a Special Assessment applicable to that year and not more than the next four (4) succeeding years for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Property, including fixtures and personal property related thereto, provided any such Special Assessment shall have the consent of Owners holding two thirds of the votes, other than Developer, voting in person or by proxy at a regular meeting or special meeting called for that purpose at which a quorum of each class of membership is present. Special Assessments shall be collectible in advance in any manner established by the Board of Directors.

**Section 7.3 Emergency Assessments.** The Association may also levy an Emergency Assessment at any time by a majority vote of the Board of Directors, for the purpose of defraying, in whole or in part, the cost of any extraordinary or emergency matters, as determined by the Board of Directors in its sole discretion, that affect all the Common Property or Members of the Association, including, after depletion of any applicable reserves of this Article, any unexpected expenditures not provided by the Budget or unanticipated increases in the amounts budgeted. Any such Emergency Assessment shall be due and payable at the time and in the manner specified by the Board of Directors.

**Section 7.4 Lot Assessments.** In addition to the Annual and Special Assessments authorized above, the Board of Directors, by majority vote, may from time to time levy a Lot Assessment against a particular Lot and the Owner thereof for the purpose of defraying, in whole or in part, the cost of any repair, maintenance or restoration as provided in this Declaration; any construction, reconstruction, repair or replacement of a capital improvement upon or serving the specific Lot, including any additional special services to such Lot, the cost of which is not included in the Annual Assessment; or to reimburse the Association for any costs it incurs as a result of the Owner's failure to comply with this Declaration or any damage to the Common Property.

**Section 7.5 Commencement of Annual Assessments.**

**(a) Date of Commencement.** The Annual Assessments provided for herein shall

BK: 5553 PG: 915

commence with respect to each Lot on the date of conveyance of the Lot to an Owner, other than Developer. During the initial year of ownership, each Owner shall be responsible for the pro rata share of the Annual Assessments charged to each Lot prorated to the day of closing on a per diem basis. Any other Assessments shall be paid in full without proration.

**(b) Capital Contribution.** In addition, at the closing and transfer of title of each Lot to the first Owner, other than Developer or a builder constructing the Initial Improvements thereon, such Owner shall make a working capital contribution to the Association in the sum of Two Hundred and 00/100 dollars (\$200.00) per Lot. These contributions to the Association shall be used for the purpose of defraying the initial and nonrecurring capital expenses of the Association, and to provide initial working capital for the Association.

#### **Section 7.6 Nonpayment of Assessments and Remedies.**

**(a) Creation of Lien.** All Assessments shall be, together with any late fees, interest and costs of collection when delinquent, including reasonable attorney's fees (together, the "Assessment Charge"), a charge and continuing lien upon each Lot subject to this Declaration. This lien provided for in this Section shall be perfected by the filing of a notice of lien in the public records of the County, in favor of the Association.

**(b) Owner's Acceptance.** The Assessment Charge is also the personal obligation of the person or entity which was the Owner of such Lot at the time when the Assessment was levied and of each subsequent Owner. Each Owner of a Lot, by acceptance of a deed or other transfer document, whether or not it shall be so expressed in such deed or transfer document, is deemed to covenant and agree to pay to the Association the Assessment Charge established or described in this Article. The Association shall have the right and power to bring all actions against such Owner personally for the collection of such Assessment Charge as a debt and to enforce the aforesaid by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage lien on real property, and such Owner is deemed to have granted to the Association a power of sale in connection with such lien. No Owner may waive or otherwise escape liability for the Assessment Charge by abandonment of his Lot or by waiving the right to use Common Property nor shall non-use of the Common Property relieve an Owner of his liability for the Assessment Charge.

**(c) Late Fees, Interest.** Any Assessments not paid within ten (10) days after the due date shall be subject to a late fee as determined from time to time by the Board of Directors and may, upon resolution of the Board of Directors, bear interest at a percentage rate determined by the Board of Directors.

**(d) Remedies.** The Association may bring an action at law against the Owner or Owners personally obligated to pay such Assessment Charge or foreclose the lien against the Lot upon which the Assessment Charge is made in the manner provided below. The Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Lot at such foreclosure sale and to acquire and hold, lease, mortgage and convey the same. The Board of

BK: 5553 PG: 916

Directors, by majority vote, shall have the right to assess fines pursuant to statutory guidelines and procedures set forth in Section 720.305 Florida Statutes and may suspend the voting rights and the right to the use of the Common Property by an Owner for any period during which any Assessment against his Lot that is more than ninety (90) days past due remains unpaid. Fines may exceed One Thousand and No/100 Dollars (\$1,000.00) and any fine in excess of \$1,000.00 may result in a lien being recorded and foreclosed against a Lot.

(e) **Subordination of Lien to Mortgages.** The lien of the Assessment Charge shall be inferior and subordinate to the lien of any Mortgage, but only to the extent of the Mortgage balance outstanding as of the date the notice of an Assessment Charge is first recorded against the Lot, plus interest and reasonable costs of collection accruing thereafter. The sale or transfer of any Lot shall not affect the Assessment Charge. No sale or transfer shall relieve the transferee of such Lot from liability for any Assessments thereafter becoming due or from the lien thereof, nor the Owner responsible for such payments from such Owner's personal liability as provided herein.

**Section 7.7 Certificate of Payment.** The Treasurer of the Association or the management company authorized by the Board of Directors, upon demand of any Owner liable for an Assessment, shall furnish to such Owner a certificate in writing setting forth whether such Assessment has been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid. A reasonable charge for the services involved in preparing such certificate may be assessed by the Association or Management Company as applicable.

**Section 7.8 Assessments on Developer Property.** The Developer shall not be required to pay any Assessments or Special Assessments and shall not be subject to any lien for such assessments during the Development Period. During the Development Period the Developer shall pay the actual operating expenses incurred by the Association, excluding major repairs, replacements, reserves and deferred maintenance which cannot be paid by application of Assessments collected from the Owners other than the Developer. The Development Period shall be defined as the period of time beginning with conveyance of the first Lot to an Owner other than the Developer and ending on the later to occur of the date that the Developer notifies the Association that it will no longer pay for the shortfall between Assessments collected and the total operating expenses of the Association or the date that the Class B membership ceases to exist and converts to Class A Membership. At that time, the Developer shall pay Assessments on Lots owned by the Developer and at that time, the Developer shall no longer be required to pay the unfunded actual expenses of the Association.

## **ARTICLE VIII**

### **ARCHITECTURAL CONTROL**

**Section 8.1 Architectural Review Board.** The Association shall establish an ARB which shall consist of either three (3) or five (5) members. Members of the ARB do not have to be members

BK: 5553 PG: 917

of the Association. For so long as Developer owns any Lot (and irrespective of whether the class B Membership has terminated), Developer shall have the sole right to appoint the members of the ARB. Thereafter, the members of the ARB shall be appointed by the Board of Directors, or, if the Board of Directors fails to so appoint an ARB, then the Board of Directors shall constitute the ARB. Any vacancies on the ARB shall be filled by appointment by the Board of Directors. A quorum shall be established by the presence of a majority of the ARB members at any ARB meeting and a majority vote by those ARB members present at an ARB meeting shall constitute the action of the ARB.

**Section 8.2** **ARB Authority & Duties.** The ARB shall have the following authority:

1) In order to assist in making the Property a community of high standards and aesthetic beauty, the ARB shall be charged with making a recommendation to the Board of Directors to approve or disapprove all proposed construction and improvements to any Lot and any alteration, addition, change or modification thereto, other than initial construction constructed, erected, or placed upon any part of the Property. Such architectural control may include all architectural aspects of any such improvement including, without limitation, size, height, site planning, setbacks, exterior design, materials, colors, open space, landscaping, and aesthetic criteria. Plans and Specifications, including landscaping and driveways for the Initial Improvements on any Lot shall be submitted to the Developer for approval. No construction, modification, alteration or improvement of any nature whatsoever, shall be undertaken on any Lot, unless and until the Developer or the ARB, as the case may be, has approved in writing the Plans and Specifications.

2) The ARB shall be authorized to require two (2) sets of plans and specifications for any proposed improvements, hereinafter "Proposed Improvements" which are to be reviewed by the ARB. Additionally, the ARB may require submission of samples of building materials and any other information necessary to allow a complete assessment or evaluation of any proposed construction or improvements.

3) The ARB shall be authorized to set up a fee schedule charging reasonable fees for the processing and evaluation of submissions to the ARB. The fees are to be paid to the Association along with the submission to the ARB.

4) The ARB shall have the authority to recommend amendments to the architectural criteria to the Developer or the Board of Directors. Upon adoption of any such amendment, a complete copy of such amendment shall be provided to each member of the Association.

The architectural criteria and any amendments thereto shall not be recorded in the public record and failure to provide a copy of same or an amendment to same shall not be a condition precedent to the effectiveness or validity of the architectural criteria or an amendment thereto.

**Section 8.3** **Variance.** The ARB and Developer, as applicable, may authorize variance from compliance with any of the architectural provisions of this Declaration, when circumstances such as topography, natural obstructions, hardships or aesthetic or environmental consideration require

BK: 5553 PG: 918

the same. Such a variance shall be evidenced by a document signed by at least a majority of the members of the ARB for a Proposed Improvement or by Developer for Initial Improvements, as applicable. If such a variance is granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Lot and the particular provisions of this Declaration covered by the variance, nor shall it affect in any way the Owners' obligation to comply with all governmental laws and regulations, including but not limited to, zoning ordinances, and set back lines or requirements imposed by any governmental or municipal authority. Any variance given pursuant to this paragraph shall be given in recordable fashion and recorded in the public records of the County.

**Section 8.4 Enforcement.** The Board of Directors shall have the authority and standing on behalf of the Association to enforce, in courts of competent jurisdiction, the decisions of the ARB.

**Section 8.5 Remedy for Violations.** In the event any Proposed Improvement is constructed without first obtaining the approval of the ARB or Developer, as applicable, or is not constructed in strict compliance with any approval given or deemed given by the ARB or Developer, as applicable, or the provisions of this Article are otherwise violated, the Board of Directors shall have the specific right to injunctive relief to require the Owner to stop, remove, and alter any improvements in order to comply with the requirements hereof, or the Board of Directors may pursue any other remedy available to it. In connection with this enforcement section, the Board of Directors or Developer shall have the right to enter into any Lot or Residence and make any inspection necessary to determine that the provisions of this Declaration have been complied with. The failure of the ARB, the Board of Directors or Developer to object to any Proposed Improvement prior to its completion shall not constitute a waiver of the right of the Association or the Developer to enforce this Article. The foregoing rights shall be in addition to any other remedy set forth herein for violations of this Declaration.

**Section 8.6 Reservation of Rights to Release Restrictions.** In each instance where a structure has been erected, or construction thereof has substantially advanced, in such manner that some portion of the structure encroaches on any Lot line, setback line, or easement area, Developer reserves for itself, its successors, assigns and designees, the right to release such Lot from the encroachment and to grant an exception to permit the encroachment without the consent or joinder of any person, irrespective of who owns the burdened Lot or easement areas, so long as Developer, in the exercise of its sole discretion, determines that the release or exception will not materially or adversely affect the value of the adjacent Lot and the overall appearance of the Property. This reserved right shall automatically pass to the Association when Developer no longer owns any portion of the Property. Upon granting of an exception to an Owner, the exception shall be binding upon all subsequent Owners of the affected Lots and shall be recorded in the public records of the County.

**Section 8.7 No Liability.** Notwithstanding anything contained herein to the contrary, the ARB and Developer shall merely have the right, but not the obligation, to exercise architectural control,

BK: 5553 PG: 919

and shall not be liable to any Owner, its successors, assigns, personal representatives, or heirs, due to the exercise or non-exercise of such control or the approval or disapproval of any Proposed Improvement. Furthermore, the approval of any plans and specifications or any Proposed Improvements shall not be deemed to be a determination or warranty that such plans and specifications or Proposed Improvements are complete, do not contain defects, or in fact meet any standards, guidelines, or criteria of the ARB or Developer, or are in fact architecturally or aesthetically appropriate, or comply with any applicable governmental requirements, and neither the ARB, the Association, nor Developer shall be liable for any defect or deficiency in such plans and specifications or Proposed Improvements, or any injury to persons or property resulting therefrom.

**Section 8.8 Compensation.** The Board of Directors shall have the authority to pay reasonable compensation to the members of the ARB.

**Section 8.9 Initial Construction.** All proposed initial construction shall be submitted to the Developer in writing. Submissions shall be in made as provided in Section 8.2(b). The proposed construction shall be evaluated giving due consideration to the overall development scheme and the architectural criteria. Developer shall have the right to approve or disapprove such proposed construction in its sole discretion.

**Section 8.10 Master Association Approval.** All matters that are subject to architectural review and approval pursuant to Article VIII shall also be subject to review and approval of the Master Association in accordance with the terms of the Master Declaration. In the event of any conflict between any architectural review decision made pursuant to this Declaration, and an architectural decision made pursuant to the Master Declaration, the decision made pursuant to the Master Declaration shall control.

## **ARTICLE IX**

### **MASTER ASSOCIATION**

**Section 9.1 Master Association Membership.** Each Owner shall automatically become a member of the Master Association upon acceptance of a deed to a Lot and the issuance of a certificate of occupancy or similar authorization by St. Johns County, Florida or other governmental authority having jurisdiction, for a residential dwelling unit constructed on the Lot. The Master Association represents Owners and residents of certain portions of the Silverleaf Development. The Master Association acting through its Board of Directors, shall have certain powers, rights and duties with respect to the Property and with respect to the Silverleaf Development all as more particularly set forth in the Master Declaration and other governing documents of the Master Association.

**Section 9.2 Lien Rights.** The Master Association is entitled to a lien upon any Lot for any unpaid assessments levied pursuant to the terms of the Master Declaration.

**Section 9.3 Responsibilities of this Association.** If for any reason the Association refuses or fails to perform the obligations imposed on it under the terms of this Declaration or any other governing documents of the Association, the Master Association shall and is hereby authorized, but shall have no obligation, to

BK: 5553 PG: 920

act on behalf of the Association, and any expenses incurred by the Master Association in taking such action shall be reimbursed by the Association.

## **ARTICLE X**

### **USE OF PROPERTY**

**Section 10.1 Protective Covenants.** In order to keep the Property a desirable place to live for all Owners, the following protective covenants are made a part of this Declaration. Without limiting any of the provisions or requirements of Article VIII, the specific references to the ARB approval set forth in this article or elsewhere in this Declaration shall not be construed as a limitation of the requirements of this article.

**(a) Lot Resubdivision.** No Lot shall be further subdivided, replatted or separated into smaller Lots by any Owner. Provided however, this restriction shall not prohibit corrective deeds or similar corrective instruments. Developer shall have the right to modify subdivision plats of the property if all Owners of Lots which are included within the portion of the plat so modified consent to such modification, which consent shall not be unreasonably withheld or delayed.

**(b) Residential Use.** Each Lot shall be used, improved and devoted exclusively to single family residential use, and for no commercial purpose. No time-share ownership of Lots is permitted without Developer's approval. Nothing herein shall be deemed to prevent the Owner from leasing a Residence, subject to all of the provisions of the Declaration, Articles, and Bylaws nor from preventing Developer from converting the use of a Lot to be used as a road for ingress and egress from an adjacent Lot.

No Lot may be leased by any Owner or any Owner's agent, tenant or other person having any interest in a Lot, to any party for a term which is less than six (6) months. No Lot may be leased more than twice during any twelve (12) month period, based on the commencement date of the first lease. Any extension of the term of any lease shall be for a period of not less than six (6) months. No Owner shall at any time lease more than two (2) Lots within the Property. For purposes of this Section 10.1, (i) the term "Lot" includes all or any part of a Lot or any dwelling unit located on the Lot, (ii) the term "lease" or "leased" means and includes any arrangement for the use or occupancy of a Lot for a charge or other remuneration by or through a lease, license or other similar agreement, whether oral or written, including without limitation, any house swapping arrangement, and (iii) renewal rights shall not be included in the determination of the term of a lease. Not less than the entire home located on any Lot may be leased, and no time share units or vacation plans, as defined in Chapter 721, Florida Statutes, or otherwise, may be created or operated on any Lot. All leases shall be in writing and shall state the term thereof (a "**Lease Document**"), and the Association

BK: 5553 PG: 921

shall have the right, upon request, to inspect any Lease Document from time to time in order to verify that such document conforms to the requirements of this subsection (a). Each Owner shall provide a copy of each applicable Lease Document to the Association not less than five (5) business days prior to the commencement date for such lease. Upon violation of any provision of this subsection (a), the Association may impose a fine against an Owner, or any tenant, guest or invitee of such Owner, for each day such violation continues, up to the maximum aggregate fine determined by the Association's Board of Directors from time to time. The Association shall be entitled to a lien upon such Lot with respect to any such fine, which shall be enforceable in the same manner that liens for assessments are enforceable pursuant to the terms of Article V hereof or Chapter 720, Florida Statutes, as the same may be amended from time to time. The foregoing provisions shall not preclude, limit or impair the rights of any party to otherwise enforce the provisions of this Declaration or to pursue any other remedies available at law or in equity.

All lessees and all other occupants of any Lot shall be subject to all terms and provisions of this Declaration and all of the other governing documents of the Association, to the same degree as all owners of any Lot. Each Owner agrees to cause his or her lessee, and all other occupants of any Lot, to comply with the provisions of this Declaration and all other governing documents of the Association. Each Owner shall be responsible and liable for all violations, damages or losses caused by such lessees or occupants, notwithstanding the fact that all such lessees and occupants shall also be fully and personally liable to the Association for any such violations, damages or losses. In the event that any lessee or occupant of any Lot shall violate any provision of this Declaration or any other governing documents of the Association, the Association's Board of Directors shall have the right and authority to bring legal proceedings against such persons to recover damages, seek injunctive relief, or for any other remedy available at law or in equity. Each Owner shall be jointly and severally liable with such Owner's lessee or other occupants of the Owner's Lot, to the Association for any amount (as determined in the sole and reasonable discretion of the Association) required to enable the Association to repair any damage to any portion of the Property or to pay any claim for personal injury, death or damage to property caused by the act or omission of such lessee or occupant. The Association shall be entitled to a lien upon each applicable Lot with respect to any sums due to the Association pursuant to this subsection (b), which shall be enforceable in the same manner that liens for assessments are enforceable pursuant to the terms of Article V hereof or Chapter 720, Florida Statutes, as the same may be amended from time to time. The foregoing restriction shall not operate to prevent Developer or its designees from using one or more Residences for a model home or sales center during the development and sale of the Property. No other business or commercial use may be made of any part of the Property. Provided, however, an occupant of a Residence who maintains a personal or professional library, keeps personal or professional books or accounts, conducts personal business (provided that such use does not involve customers, clients, employees, licenses or invitees regularly visiting the Residence), or makes professional telephone calls or correspondence in or from a Residence is engaging in a residential use and shall not be deemed to be in violation of this Section by reason thereof.

BK: 5553 PG: 922

**(c) Nuisances; Other Improper Use.** No nuisance shall be permitted to exist on any Lot or Common Property so as to be detrimental to any other Lot in the vicinity thereof or to its occupants, or to the Common Property. Any activity on a Lot which interferes with television, cable, or radio reception on another Lot shall be deemed a nuisance and a prohibited activity. No immoral, offensive, or unlawful use shall be made of the Property or any part thereof. All laws, zoning ordinances, orders, rules, regulations, or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the Owner or the Association, whichever shall have the obligation to maintain or repair such portion of the Property. If a dispute or question arises as to what may be or become a nuisance, the issue shall be determined by the Board of Directors.

**(d) Work Hours.** All work done by contractors, subcontractors and domestic workers must be done during daylight hours.

**(e) Access.** Owners shall allow the Board of Directors or the agents and employees of the Association to enter any Lot for the purpose of maintenance, inspection, repair, replacement of the improvements within the Lot, or in case of emergency, for any lawful purpose, or to determine compliance with this Declaration.

**(f) Pets.** No animals, livestock or poultry of any kind shall be raised bred or kept on any Lot, except that dogs, cats or other household pets in reasonable numbers may be kept provided they are not kept, bred or maintained for any commercial use and do not create safety, health or nuisance problems. The Association further reserves the right, but not the obligation, to demand that an Owner permanently remove from property all pets which create disturbances or annoyances that constitute nuisances in the sole discretion of the Board of Directors.

**(g) Signs.** No sign, advertisement or notice of any type or nature whatsoever including, without limitation, "For Sale" and "For Lease" signs, shall be erected or displayed upon any Lot, Residence, Common Property or in any window, unless express prior written approval of the size, shape, content, appearance and location has been obtained from the Board of Directors and the ARB, which approval may be arbitrarily withheld, except standard 18" x 24" typical painted real estate signs shall be allowed without prior approval. Notwithstanding the foregoing, Developer, and those persons or entities specifically designated by Developer, shall be permitted to post and display advertising signs on the Property for the marketing, sale or rental of Lots.

**(h) Parking.** All vehicles shall be parked and stored within the garages or paved driveways on a Lot. No boats or recreational vehicles may be stored or parked within the Property unless surrounded completely such that they cannot be seen. Only automobiles bearing current license and registration tags, as required pursuant to state law, shall be permitted to be parked on any of the Property except wholly within a garage. All parking within the Property shall be in accordance with rules and regulations adopted by the Association. No parking is allowed on the street rights-of-way, park areas, or other Common Property.

**(i) Visibility at Street Intersections.** No obstruction to visibility at intersections shall be permitted. The ARB and Developer shall have the right to adopt additional restrictions

concerning the height and type of trees and shrubs within any of the Lots.

(ii) Public liability insurance in such limits as the Board of Directors may from time to time determine, insuring against any liability arising out of, or incident to, the ownership and use of the Common Property or adjoining the Property. Such insurance shall be issued on a comprehensive liability basis and shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association, the Board of Directors or other Owners. The Board of Directors shall review such limits once a year.

**(b) Insurance on Lots.** It shall be the responsibility of each Owner to obtain, at his own expense, liability insurance with respect to the ownership and use of his Lot, including his Residence, and the Association shall not be responsible for obtaining such insurance or have any liability whatsoever in connection therewith. BK: 5553 PG: 927

80% of the insurable value (based upon replacement cost) of the improvements constructed on the Common Property.

**(c) Group Insurance.** Nothing set forth herein shall prevent the Association, upon majority vote of the Class A Members and the assent of the Class B Member, if any, from obtaining a group or master insurance policy, and if so approved and obtained, the Association shall charge the premium for the individual Lots as a Lot Assessment. All policies of insurance obtained by Owners or the Association which cover the Residences and Lots shall contain (i) waivers of subrogation, (ii) waivers of any reduction of pro rata liability of the insurer as a result of any insurance carried by any other Owner, (iii) waivers of invalidity arising from any acts of the insured, and (iv) provisions that such policies may not be canceled or substantially modified without ten (10) days prior written notice of all insured.

**(d) Director and Officer Liability Insurance.** The Board of Directors may obtain as a matter of common expense, payable from the Annual Assessments, liability insurance against personal loss for actions taken by members of the Board of Directors and Officers of the Association in the performance of their duties. Such insurance shall be of the type and amount determined by the Board of Directors, in its discretion.

**(e) Other Coverage.** The Board of Directors shall obtain and maintain worker's compensation insurance, if and to the extent necessary to meet the requirements of law, and such other insurance as the Board of Directors may determine or as may be requested from time to time by a majority of the Owners. The Board of Directors may from time to time increase or decrease the types and amounts of insurance coverage as may be necessary or convenient to comply with requirement of Mortgagees or based upon the cost and availability of such coverage.

#### **Section 11.2 Repair and Reconstruction After Fire or Other Casualty.**

**(a) Common Property.** In the event of damage to or destruction of all or any of the improvements on the Common Property as a result of fire or other casualty, the Board of Directors shall arrange for and supervise their prompt repair and restoration substantially in accordance with the plans and specifications under which the improvements were originally constructed, or any modification thereof approved by the Board of Directors and the ARB. The Board of Directors shall proceed towards reconstruction of such improvements as quickly as practicable under the circumstances and shall obtain funds for such reconstruction from the insurance proceeds and any Special Assessments that may be necessary after exhaustion of reserves for the repair and replacement of such improvements.

**(b) Residences.** Any Owner whose Residence is destroyed or damaged by fire or other casualty shall immediately proceed to build and restore his Residence to the conditions existing immediately prior to such damage or destruction, unless other plans are approved in accordance with the provisions of Article VIII and Article IX above. Provided, however, if the damage is so extensive that the Owner determines not to rebuild the Residence, the Owner may remove all remaining improvements and debris and sod the Lot. In such event, all landscaping obligations on

the part of Owner shall remain in effect.

## ARTICLE XII

### ASSOCIATION LIABILITY

**Section 12.1 Disclaimer of Liability.** Notwithstanding anything contained herein, in the Articles, or the Bylaws of the Association, or any other document governing or binding the Association (jointly referred to herein as "Association Documents"), the provisions hereof shall not be construed to mean that the Developer or the Association shall be liable or responsible for in any manner as a guarantor or insurer of, the health, safety nor welfare of any Owner, occupant or user of any portion of the Property, including, without limitation, Owners, residents, their families, guests, invitees, agents, servants, contractors or subcontractors, nor for any property of such persons.

**Section 12.2 Specific Provisions.** Without limiting the generality of the foregoing:

1) It is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern and regulate the use of the Property have been written and are to be interpreted and enforced for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof.

2) Neither Developer nor the Association is empowered nor have they been created to act as an entity which enforces or insures compliance with the laws of the United States of America, State of Florida, County, or any other jurisdiction, or prevents tortious or criminal activities.

3) The provision of the Association Documents setting forth the uses of Assessments which may relate to health, safety, and welfare shall be attributed and implied only as limitations on the usage of such funds and not as creating an obligation of the Association or Developer to protect the health, safety or welfare of any persons.

**Section 12.3 Owner Covenant.** Each Owner, his heirs, successors and assigns (by virtue of his acceptance of title of his Lot) and each other person or entity having an interest in or a lien upon or making use of, any portion of the Property (by virtue of accepting such interest or lien making use thereof) shall be bound by this Article and shall be deemed to automatically waive all rights, claims, demands, and causes of action against the Association or Developer arising from or connected with any manner for which the liability of the Association or Developer has been limited in this Article.

**Section 12.4 Release as to use of Surface Water or Stormwater Systems.** The Developer nor the Association shall have any liability whatsoever to Owners, guests, tenants, or invitees related to the use or access of or to the surface water or Storm Water Management System areas, including but not limited to any personal injury, loss or damage accruing therefrom. Each Owner, for itself

BK: 5553 PG: 929

and its guests, tenants or invitees, hereby and by acceptance of a Deed to, or use of, any Lot releases Developer and the Association from any liability in connection with any usage of the surface water or Storm Water Management System.

NEITHER THE DEVELOPER THE ASSOCIATION, OR ANY OF THEIR SUCCESSORS, ASSIGNS, OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE WATER QUALITY OR LEVEL IN ANY LAKE, POND, RETENTION AREA, CANAL, CREEK, OAKS AREA, STREAM OR OTHER WATER BODY WITHIN OR ADJACENT TO THE PROPERTY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR ENTITY AS REFERRED TO HEREIN. FURTHER, ALL OWNERS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID AREAS SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF THE DEED TO OR USE OF SUCH PROPERTY TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FOR ALL CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES.

ALL PERSONS ARE HEREBY NOTIFIED THAT FROM TIME TO TIME ALLIGATORS AND OTHER WILDLIFE MAY INHABIT OR ENTER INTO WATER BODIES CONTAINED WITHIN OR ADJACENT TO THE PROPERTY AND MAY POSE A THREAT TO PERSONS, PETS AND PROPERTY, BUT THAT THE LISTED PARTIES ARE UNDER NO DUTY TO PROTECT AGAINST AND OR NOT IN ANY MANNER WARRANT AGAINST ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE.

ALL PERSONS ARE HEREBY NOTIFIED THAT LAKE BANKS AND SLOPES WITHIN CERTAIN AREAS OF THE PROPERTY MAY BE STEEP AND THAT DEPTHS NEAR SHORE MAY DROP OFF SHARPLY. BY ACCEPTANCE OF A DEED TO, OR USE OF, ANY LOT WITHIN THE PROPERTY, ALL OWNERS OR USERS OF SUCH PROPERTY SHALL BE DEEMED TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FROM ALL LIABILITY OR DAMAGES ARISING FROM THE DESIGN, CONSTRUCTION OR TOPOGRAPHY OF ANY LAKE BANKS, SLOPES OR LAKE BOTTOMS.

### **ARTICLE XIII**

#### **GENERAL PROVISIONS**

**Section 13.1 Duration.** This Declaration, as amended and supplemented from time to time, shall run with and bind the Property and shall inure to the benefit of and be binding upon Developer, the Association, the Owners, and their respective legal representatives, heirs, successors or assigns, for a term of thirty (30) years from the date this Declaration is recorded in

BK: 5553 PG: 930

the public records of the County, after which time all of said provisions shall be extended automatically for successive periods of ten (10) years each unless an instrument or instruments signed by the then Owners of seventy five percent (75%) of the Lots subject to this Declaration agreeing to terminate all of said provisions as of a specified date. Unless this Declaration is terminated as provided above, the Association shall rerecord this Declaration or other notice of its terms at intervals necessary under Florida law to preserve its effect.

**Section 13.2 Condemnation.** In the event all or part of the Common Property or the Common Roads shall be taken or condemned by any authority having the power of eminent domain, all compensation and damages shall be paid to the Association. The board of Directors shall have the right to act on behalf of the Association with respect to the negotiation and litigation of the taking or condemnation affecting such Property. The Owners holding seventy five percent (75%) of the votes may agree to distribute the proceeds of any condemnation or taking by eminent domain, and if the owners shall not so agree, such proceeds shall be added to the funds of the Association.

**Section 13.3 Notices.** Any notice required to be sent to the Owner of any Lot under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, or hand delivered to the Lot and to the last known address of the person who appears as Owner of such Lot on the records of the Association at the time of such mailing, if different.

**Section 13.4 Enforcement.**

**(a)** In addition to the enforcement provisions previously set forth in this Declaration, the provisions of this Declaration may be enforced by any Owner, the Association, or by Developer (as long as it owns any interest in the Property) against any person, firm, corporation, trust, or other entity which violates or attempts to violate any of the covenants or restrictions hereof, by prosecuting any proceeding at law or in equity for the recovery of damages, injunctive relief or any other applicable remedy, for the purpose of preventing or enjoining all or any such violations or attempted violations, or for the enforcement of any lien created by this Declaration. SJRWMD and ACOE shall have the right to enforce by prosecuting any proceeding at law or in equity for the recovery of damages, for enforcement or for an injunction with regard to any provisions contained herein which involve the maintenance, repair or reconstruction of the Surface Water or Storm Water Management System, wetlands or conservation areas.

**(b)** In addition to all other remedies, the Board of Directors shall have the authority, in its sole discretion, to impose a fine or fines upon any Owner for failure of the Owner, his family, guests or invitees, tenants, or occupants, to comply with the covenants, restrictions, rules, and regulations contained in this Declaration, the Articles, or the Bylaws, provided the following procedures are adhered to:

(i) The Association shall notify the Owner or occupant of the infraction(s).

(ii) Such Owner or occupant shall be given notice and opportunity to be heard by a Fine Committee pursuant to Section 720.305 Florida Statutes.

BK: 5553 PG: 931

(iii) Upon recommendation of the Fine Committee, the Board of Directors may impose fines against the applicable Lot of up to Fifty Dollars (\$50.00) per incident per day. The maximum permitted fine may be increased from time to time by the Board of Directors, as it in its discretion may deem necessary or convenient. The total amount of fines may exceed One Thousand and No/100 Dollars, (\$1,000.00).

(iv) Each incident which is grounds for a fine shall be the basis for a separate fine. In case of continuing violations, each continuation after notice is given shall be deemed a separate incident.

(v) Fines shall be paid within thirty (30) days after the receipt of notice of their imposition.

(vi) All monies received from fines shall be allocated as directed by the Board of Directors.

(vii) The imposition of a fine shall not be an exclusive remedy and shall exist in addition to all other rights and remedies to which the Association may otherwise be entitled, including without limitation the right to impose a Lot Assessment; however, any fine paid by Owner or occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner or occupant.

The remedies contained in this Section 12.4 shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of Developer, the Association, or any Owner, or their respective successors or assigns, to enforce any covenant, restriction, obligation, right, power, privilege, authority, or reservation herein contained, however long continued, shall not be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto.

**Section 13.5 Interpretation.** Unless the context expressly requires otherwise, the use of the singular includes the plural and vice versa; the use of all genders; the use of the terms "including" or "include" is without limitation; and the use of the terms "will", "must", and "should" shall have the same effect as the use of the term "shall", wherever any time period is expressed in days, if such time period ends on a Saturday, Sunday, or legal holiday, it shall be extended to the next succeeding calendar day that is not a Saturday, Sunday or legal holiday. The terms "Lot" and "Property" mean all or any portion applicable to the context, and include all improvements, fixtures, trees, vegetation, and other property from time to time situated thereon, and the benefit of all appurtenant easements. The terms of this Declaration shall be liberally construed in favor of the party seeking to enforce its provisions to effectuate their purpose of protecting and enhancing the value, marketability, and desirability of the Property by providing a uniform and consistent plan for the development and enjoyment thereof. Headings and other textual divisions are for convenience only and are not to be used to interpret, construe, apply, or enforce any substantive provisions. The provisions of this subparagraph apply also to the interpretation,

BK: 5553 PG: 932

construction, application, and enforcement of all the Association Documents.

**Section 13.6 Invalidity.** The invalidity of any part of this Declaration shall not impair or affect in any manner the validity, enforceability or affect of the balance of the Declaration, which shall remain in full force and effect.

**Section 13.7 Amendment.** This Declaration may be amended at any time by an instrument signed by the President or Vice President and Secretary or Assistant Secretary of the Association, certifying that such amendment has been adopted by Owners holding two thirds (2/3) of the voting interests in the Association, either in person or by proxy at a duly called meeting, or by written consent without meeting in a manner permitted by law by Owners holding two thirds (2/3) of the votes in the Association, which amendment shall become effective upon its filing in the public records of the County; provided, however, that:

(c) Any amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Property, must have prior approval of the SJRWMD.

(c) To designate a representative to attend all meetings of the Members of the Association who shall be entitled to a reasonable opportunity to be heard in connection with any business brought before such meeting, but in no event shall be entitled to vote thereon.

BK: 5553 PG: 933

(d) By written notice to the Secretary of the Association, and upon payment to the Association of any reasonable, uniform annual fee established from time to time by the Association to defray its costs, to receive: (i) any notice that is required to be given to the Class A Members under any provision of the Association Documents; (ii) written notice of any condemnation or casualty loss affecting a material portion of the Property or any Lot encumbered by its Mortgage; (iii) any sixty (60) day delinquency in the payment of Assessment Charges imposed upon any Lot encumbered by its Mortgage; (iv) the lapse, cancellation, or material modification of any insurance coverage or fidelity bond maintained by the Association; and (v) any proposed action requiring the consent of a specified percentage of Mortgagees.

**1.2 Purpose.** The purpose of these Guidelines is to provide certain minimum standards, provisions and requirements for appropriate and acceptable design and minimum required criteria for homebuilders and homeowners implementing new construction within the Community.

**1.3 Scope.**

1.3.1 All new structures erected within the Community shall conform to the requirements of these Guidelines.

1.3.2 Additions, alterations, repairs or any other type of change to any structures that affect the exterior appearance shall conform to the requirements of these Guidelines.

1.3.3 Items to be reviewed will include any improvement or structure of any kind, including without limitation, any building, dwelling, fence, wall, sign, site paving, grading, sewer, drain, disposal system, decorative lighting schemes, painting or alteration of a dwelling (including doors, windows, roof), installation of solar panels or other devices, screened enclosures, jacuzzis, flower boxes, shelves and statues.

1.3.4 These Guidelines are for the purpose of outlining the requirements for residences located in the Community as well as to assist homebuilders and homeowners in the design of such residences. The evaluation of each submittal relates to matters of judgment and taste in certain instances which cannot be reduced to a simple list of measurable criteria. It is possible that a submission may meet all guidelines and criteria and still not receive approval, if in the judgment of the Review Parties the overall aesthetic impact is of the proposed improvements is not acceptable. The approval of an application for any proposed improvement shall not be construed as creating any obligation on the part of the Review Parties to approve applications involving similar designs for proposed improvements pertaining to different lots. The role of the Review Parties is to ensure that the overall quality level of the Community is maintained at the highest level possible while still allowing for each owner's individual taste in design, colors and materials.

2.1.3 The Review Parties shall release the plans submitted by the homebuilder or the homeowner for building permit after full plan review and approval by the Review Parties is accomplished.

Note: Approval of homebuilder or homeowner plans and specifications by the Review Parties does not release the homebuilder or the homeowner from fully complying with all applicable codes and requirements. The review process described in these Design Guidelines is strictly for compliance with the design parameters as described in the Design Guidelines and all applicable covenants and restrictions.

2.1.4 All revisions to the plans and specifications must be sent to the Review Parties for approval in accordance with the requirements listed in Section 2.1.
