(b) The right of the Board of Directors, without further consent from Owners or their Mortgagees, to dedicate, transfer or grant permits, licenses and easements over all or any part of the Common Area to any public agency, authority or utility company for the purpose of providing utility or cable television service to the Property and the right of the Board to acquire, extend, terminate or abandon such easement.

shall designate, are hereby granted a perpetual non-exclusive easement for ingress and egress over the Common Roads.

The Declarant and the Association shall have the unrestricted and absolute right to deny ingress to any person who, in the opinion of the Declarant or the Association, may create or participate in a disturbance or nuisance on any part of the Property; provided that, the Declarant or Association shall not deny an Owner or Mortgagee the right of ingress and egress to any portion of the Property owned by such Owner or Mortgagee in favor of such Mortgagee. The Declarant and the Association shall have (a) the right to adopt rules and regulations pertaining to the use of the Common Roads, (b) the right, but no obligation, from time to time, to control and regulate all types of traffic on the Common Roads, including the installation of gatehouses and gate systems, if the Declarant or Association so elects. The Declarant and the Association shall have the right, but no obligation, to control speeding and impose speeding fines to be collected by the Association in the same manner as described in Article IV for the collection of Assessments and to prohibit use of the Common Roads by persons or vehicles (including without limitation, "go-carts", three wheeled vehicles, and all terrain vehicles), which in the opinion of Declarant or the Association would or might result in damage to the Common Roads or create a nuisance for the residents, (c) the right, but not the obligation, to control and/or prohibit parking on all or any part of the Common Roads, and (d) the right, but no obligation, to remove or require the removal of any fence, wall, hedge, shrub, bush, tree or other thing, natural or artificial which is placed or located on the Property, if the location of the same will in the opinion of the Declarant or the Association obstruct the vision of a motorist.

The Declarant reserves the sole and absolute right at any time to redesignate, relocate, or close any part of the Common Roads without the consent or joinder of any Owner or Mortgagee so long as no Owner or his Mortgagee is denied reasonable access from his Lot to a public roadway by such redesignation, relocation or closure. In such event, the foregoing easement over the Common Road shall be terminated and the Association shall reconvey the Common Road at the request of the Declarant. Upon the termination of the Declarant's Class B Membership, the foregoing right of Declarant shall vest in the Association.

Section 4. Conveyance of Common Area. The Declarant may convey the Common Area (other than the Common Roads, which shall be conveyed as provided above) to the Association at such time as all the planned improvements, if any, are complete and in the event the Common Property is unimproved at such time as the Declarant determines, but in all events prior to the termination of the Class B membership. Such conveyance shall be subject to easements and restrictions of record and free and clear of all liens and financial encumbrances other than taxes for the year of conveyance. The Declarant may reserve certain rights to itself for use of the Common Area which are not inconsistent with use by the Owners. Upon conveyance of the Common Area to the Association, such Common Area shall be held for the benefit of the Owners and shall not be partitioned or used for any other purpose except as such shall benefit the Owners.

The Declarant may further cause portions of the Common Area to be conveyed by the Association and/or to otherwise terminate the designation of such land as Common Area without the consent or joinder of any owner or mortgagee.

## ARTICLE III

## MEMBERSHIP AND VOTING RIGHTS

Section 1. Qualification for Membership: Every Owner of a Lot which is subject to this Declaration shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to this Declaration.

Section 2. Classes of Membership: The Association shall have two classes of voting membership:

(a) Class A. Class A Members shall be all Owners of Lots, with the exception of the Declarant, and there shall be one vote for each Lot.

(b) Class B. Class B Member shall be the Declarant who shall be entitled to three votes for each Lot owned by it or which are depicted on a preliminary plat for the Property which the Declarant intends to plat as a part of the Property. The total number of votes of the Class B member shall be increased at the time of submission of the preliminary plan to the County to equal three votes for every Lot contained thereupon. The Class B membership shall cease within four (4) months from the happening of the first of the following events to occur:

- (i) when the number of Class B votes equals the number of Class A votes;
- (ii) five (5) years from the date of recording this Declaration;
- (iii) when Declarant, in its sole discretion, elects to transfer control to the Class A Members.

Section 3. Voting Members. Upon the termination of the Class B Membership, each Neighborhood shall have a Voting Member who shall be the same person as the person who is elected to the Board of Directors from the Neighborhood. In connection with certain specified actions of the Association the approval of the specified percentage of votes cast by the Voting Members shall be required as more fully set forth in the Declaration, Articles and Bylaws.

## ARTICLE IV

## COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) Base Assessments or charges, (2) Special Assessments and (3) Neighborhood Assessments. Such assessments to be established and collected as hereinafter provided.

(a) Base Assessments are herein defined as those funds regularly collected from all Owners in the Property for the improvement, maintenance and repair of the Common Area, including without limitation the Common Roads, for the operation and administration of the Association, for the establishment of a maintenance, repair and reserve account for

payment of taxes and insurance in all Common Area and for such other purposes and obligations of the Association as are required hereunder or permitted in this Declaration, the Articles or Bylaws. Base Assessments may include a required, one-time, capital contribution not to exceed \$100.00 for the purpose of funding a Common Road reserve account.

(b) Special Assessments are herein defined as those funds which are established and assessed from Owners for a limited or special purpose which may be assessed against all Owners for expenses incurred which affect all Owners or may be assessed against specified Owner(s) for failure to comply with the terms and conditions of this Declaration.

(c) Neighborhood Assessments are herein defined as those funds which are established and assessed from Owners within a specified Neighborhood for whom special maintenance services are performed by the Association which benefit only the Owners within such Neighborhood including any Limited Common Areas.

The Base, Special and Neighborhood Assessments, (sometimes jointly referred to herein as "Assessments") together with interest, costs, and reasonable attorneys' fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall be the joint obligation of the grantor and grantee under a deed, without affecting the grantee's right to recover the grantor's share from the grantor.

Section 2. Uniform Rate of Assessment. Base Assessments must be fixed at a uniform rate for all Lots. Similarly, Neighborhood Assessments must be fixed at a uniform rate for all Lots within the specified Neighborhood. Special Assessments, except for those made against an Owner and his Lot for failure to comply with the terms and conditions of this Declaration, must be uniform for all Lots. In the event that a Special Assessment is made against an Owner and his Lot due to such Owner's failure to comply, such Owner and Lot may be subjected to a nonuniform Special Assessment for payment of such costs. Any increase in any Assessment which is required to be uniform must also be applied to the applicable Owners uniformly.

Section 3. Date of Commencement of Base Assessments: Due Dates. The Base Assessments shall commence as to each Lot at such time as the Improvements thereon are completed and the Declarant has conveyed the Lot. In the event that a Lot without improvements is conveyed to a person or entity who does not assume the Declarant's rights in connection with the Lot(s), the Base Assessment for such Lot shall commence at the time of substantial completion of the improvements or six (6) months from date of conveyance, whichever shall first occur. The Board of Directors shall fix the amount of the Base Assessment against each Lot at least thirty (30) days in advance of each calendar year. Written notice of the Base Assessment shall be sent to every Owner subject thereto. Provided, however, receipt of such notice is not a condition precedent to its effectiveness. The Base Assessment shall be paid at such times as the Board may from time to time determine.

Section 4. Association Certificate. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments for a specified Lot have been paid. A properly executed certificate of the Association as

to the status of Assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 5. Effect of Nonpayment of Assessments; Remedies of the Association. Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate of interest permitted by law. The Association may bring an action at law against the Owner personally obligated to pay the same. The Association may record a claim of lien of record in the county and thereafter foreclose the claim of lien against the Lot. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 6. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage held by a Mortgagee. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessment thereafter becoming due or from the lien thereof. Any such delinquent Assessments which were extinguished pursuant to the foregoing may be reallocated and assessed against all of the Lots as part of the annual budget.

Section 7. Exempt Property. All properties dedicated to, and accepted by, a local public authority or utility company and serving a public use, all properties owned by a charitable or non-profit organization exempt from ad valorem taxation by the laws of the State of Florida and properties owned by the Association shall be exempt from the Assessment created herein, except no land or improvements which are occupied as a residence shall be exempt from Assessments.

Section 8. Reserves. The Board shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Areas, including without limitation, Common Roads. This reserve fund shall constitute a portion of the annual budget and shall be maintained out of the Base Assessments. In addition, the Board of Directors may establish reserve funds from the Base Assessments to be held in reserve for:

- (a) major rehabilitation or major repairs;
- (b) for emergency and other repairs required as a result of storm, fire, mutual disaster or other casualty loss; and
- (c) initial cost of any new service to be performed by the Association.

Section 9. Declarant Payment. The Declarant is hereby exempted from payment of Assessments during the period of time for which the Class B Membership exists. Provided, however, during such time the Declarant shall pay any deficit in the Common Expenses as such occur and the amount collected from Owners other than the Declarant. Upon the termination of the Class B Membership, the Declarant shall be required to pay the Assessment due for each Lot owned by it upon which a residential dwelling is substantially completed as evidenced by an issuance of a Certificate of Occupancy. All Assessments paid by the Declarant during the time the Declarant is a Class B Member shall be placed in the Association's account and shall not be commingled with Declarant's general funds.

## OFFICIAL RECORDS

Section 10. Failure to Give Notice or Revise Budget.

The failure or delay of the Board to prepare or adopt the annual budget for any fiscal year or to give notice thereof shall not constitute a waiver or release in any manner of the Owner's obligation to pay any Assessment as herein provided, whenever the same shall be determined. In the absence of an annual budget or notice of change, each Owner shall continue to pay the Assessment as established for the previous year, until receipt of notice of change.

Section 11. Fidelity Bonds.

The Association shall obtain and maintain blanket fidelity bonds for anyone who either handles or is responsible for funds held or administered by the Association, whether or not such person receives compensation for such services. The Association shall be the obligee under such bonds and the premiums shall be paid as a part of the Common Expenses of the Association. In the event that a management agent handles the funds of the Association, such agent shall also provide the same coverage required of the Association. The Association shall be named as an additional obligee in the management agent's bond.

The fidelity bond should cover the maximum funds that will be in the custody of the Association or its management agent at any time the bond is in force which shall be at the minimum equal to three (3) months assessments for all Lots plus the amount of reserves. The bonds must provide for ten (10) days written notice to the Association and to each servicer of a FNMA owned mortgage on a Lot in the Property.

The foregoing requirements are contained in this Declaration for the purpose of compliance with the requirements of certain Mortgagees. Should such coverage become unobtainable or such Mortgagees modify their requirements and the Board may, in its discretion, make such modifications to the provisions hereof as the Board, using its business judgment, deems prudent and reasonable.

## ARTICLE V

## ARCHITECTURAL CONTROL

Section 1. General Provisions. Construction of improvements on the Property shall be approved and supervised by one of two architectural review boards.

(a) New Construction Committee ("NCC") is charged with the review of all plans for the initial construction of improvements upon a Lot. The NCC shall be appointed by the Declarant for so long as Declarant owns a Lot within the Property. The NCC shall review and approve all such initial construction whether performed by Declarant, a builder to whom Declarant has conveyed one or more Lots, or an Owner.

(b) Modifications Committee ("MC") is charged with the review of all plans for any addition, removal, change or modification of the improvements upon a Lot. The MC shall be appointed by the Declarant for so long as the Declarant retains its Class B Membership in the Association. Thereafter, the MC shall be appointed by the Board. Provided, however, for so long as the Declarant owns a portion of the Property, the Declarant shall have the right to appoint at least one (1) member of the MC.

(c) The NCC shall review and approve all initial construction of improvements and their appurtenances from the start of construction until an Owner takes title to the Lot (the foregoing is hereinafter referred to as "New

Construction"). Thereafter, any modifications to the New Construction, including, without limitation, the installation or change to the exterior of any building, fence, wall, sign, paving, grading, parking and building addition, screen enclosure, sewer, drain, disposal, landscaping or landscaping device or object, exterior lighting scheme, fountain, swimming pool, jacuzzi, awning, shelter and gates (hereinafter jointly referred to as "Proposed Modification") shall be reviewed and approved by the MC.

Section 2. Powers and Duties of the NCC and MC. The NCC and MC shall have the following powers and duties:

(a) To draft architectural criteria. In addition to the basic criteria hereinafter set forth, the NCC and MC may draft such amendments or modifications thereto as each deems reasonable and appropriate, provided, however, such modifications or amendments shall be consistent with the provisions of this Declaration and further provided that modifications and amendments made by the MC shall be submitted to and approved by the Board. Upon adoption of a modification or amendment to the Architectural Criteria by the NCC in the case of New Construction or by the MC and Board in the case of Proposed Modifications, copies of such changes shall be delivered to Owners; provided, however, receipt of the modification or amendment to the criteria shall not be a condition precedent to the effectiveness or validity of such change.

(b) To require submission to each respective committee as is appropriate, two (2) sets of plans and specifications and to the extent that the committee deems it necessary or appropriate, samples of building materials, colors or such other descriptive information as it specifies.

(c) To approve or disapprove New Construction or Proposed Modifications, respectively. In the event that an Owner is aggrieved by the decision of the MC, such decision may be appealed to the Board. The Board's determination with regard to a Proposed Modifications shall be binding upon all Owners and if an Owner challenges such decision, the Owner shall pay all attorneys' fees.

(d) Each committee shall evaluate the application for the total effect thereof. This evaluation relates to matters of judgment and taste which cannot be reduced to a simple list of measurable criteria. It is possible that New Construction or Proposed Modification might meet the individual criteria delineated in Section 4 of this Article and still not receive approval, if in the sole discretion of the NCC or NC, its overall aesthetic impact is unacceptable. The approval of an application for New Construction or Proposed Modification shall not be construed as creating an obligation on the part of the NCC or NC to approve applications involving similar designs pertaining to different Lots.

(e) If any New Construction or Proposed Modifications shall be changed, modified or altered without prior approval of the applicable committee of such change, modification or alteration, and the plans and specifications therefor, if any, then the Owner shall, upon demand, cause the New Construction or Proposed Modifications to be restored to comply with the original plans and specifications, or the plans and specifications originally approved by the applicable committee, and shall bear all costs and expenses of such restoration, including costs and reasonable attorneys' fees of the applicable committee.

(f) Any Owner making or causing to be made New Construction or Proposed Modifications agrees and shall be

## OFFICIAL RECORDS

deemed to have agreed, for such Owner and his heirs, personal representatives, successors and assigns to hold the NCC, MC, Association, Declarant and all other Owners harmless from any liability, damage to the Property and from expenses arising from the construction and installation of any New Construction or Proposed Modifications and such Owner shall be solely responsible for the maintenance, repair and insurance of any alteration, modification or change and for assuring that the New Construction or Proposed Modifications meets with all applicable governmental approvals, rules and regulations.

(g) The NCC and MC are hereby authorized to make such charges as they deem necessary to cover the cost of review of the plans and specifications.

Section 3. Procedure for Approval of Plans. The NCC or MC shall approve or disapprove the preliminary and final applications for New Construction or Proposed Modifications within thirty (30) days after each has been submitted to it in proper form together with all supporting information. If the plans are not approved within such period, they shall be deemed approved, however, no plan which is not in compliance with the specific provisions of this Declaration shall be deemed approved.

Section 4. Architectural Criteria. All New Construction or Proposed Modifications shall comply, at a minimum, with the following Architectural Criteria:

(a) Building Type. No building shall be erected, altered, placed or permitted to remain on any Lot other than one single-family residence not to exceed thirty-five (35) feet in height and having a private and enclosed garage for not less than one (1) nor more than four (4) cars. Unless approved by the ARD as to use, location and architectural design, no tool or storage room may be constructed separate and apart from the residential dwelling nor can any such structure(s) be constructed prior to construction of the main residential dwelling.

(b) Lot Siting. The MC shall have the right to impose set back requirements for all lot lines to preserve line of sight of neighboring properties and to assure sufficient open space between structures as the MC shall deem necessary or convenient for safety or aesthetic purposes.

(e) Garages and Automobile Storage. Each lot shall have at least a one (1) car garage. No carports will be permitted unless approved by the respective committee. Automobiles shall be stored in garages when not in use. No garage shall be converted to living space unless a garage, in compliance with these provisions, is constructed in its stead and unless the facade of the enclosed garage is approved by the applicable committee and a new garage in compliance with these restrictions is built. The use of side entry garages is encouraged wherever possible.

(f) Driveway Construction. All dwellings shall have a paved driveway of stable and permanent approved material.

(g) Games and Play Structures. All basketball backboards, tennis courts and play structures shall be located at the rear of the dwelling, or on the inside portion of a corner Lot within the setback lines. No platform, doghouse, tennis court, playhouse or structure of a similar kind or nature shall be constructed on any part of a Lot located in front of the rear line of residence constructed thereon and shall be constructed so as to not adversely affect the adjacent Lots or the use thereof. Any such structure must have prior approval of the applicable committee and without limiting any other criteria for approval, the applicable committee shall review the height of such structure to assure the privacy of neighboring Owners.

(h) Fences and Walls. The composition, location and height of any fence or wall to be constructed on any Lot shall be subject to the approval of the applicable committee. The applicable committee shall require the composition of any fence or wall to be consistent with the material used in the surrounding homes and other fences, if any. Wire or chain link fences are prohibited. Any fence, wall, hedge or other similar structure or improvement must be included in the development plan with respect to location, height, and type of material and must be approved by the applicable committee.

(i) Landscaping. A basic landscaping plan shall be prepared for each Lot and must be submitted to and approved by the NCC prior to initial construction and development thereon. No artificial grass, plants or other artificial vegetation or sculptural landscape decor shall be placed or maintained on any Lot unless approved by the applicable committee. Any vegetable garden shall be screened from view with an approved form of screening.

(j) Swimming Pools and Tennis Courts. Any swimming pool or tennis court to be constructed on any Lot shall be subject to the requirements of the applicable committee, which include, but are not limited to the following:

- (i) Composition to be of material thoroughly tested and accepted by the industry for such construction;
- (ii) Pool screening may not be visible from the street in front of the dwelling (except on corner Lots) unless approved by the applicable committee;
- (iii) Location and construction of tennis or badminton courts must be approved by the applicable committee;
- (iv) Any lighting of a pool or other recreation area shall be designed so as to buffer the surrounding residences from the lighting;
- (v) Tennis court lighting may be installed if approved by the applicable committee but shall not be permitted to shine onto adjacent Lots.

## OFFICIAL RECORDS

If one Owner elects to purchase two (2) adjoining Lots and use one for recreation purposes, the Lot used for recreation purposes must be adequately screened by landscaping and/or walls or fences on both the front and side as required by the applicable committee.

Section 1. Owner Maintenance Responsibility. Each Owner is obligated to and responsible for performing all maintenance, repair and restoration in connection with its Lot and all improvements thereupon. Each Owner shall maintain the exterior of all buildings and improvements on the Owner's Lot in a good and workmanlike manner and shall present a neat and clean appearance upon the Lot, including painting, repairing, replacing and caring for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, and other exterior improvements. Owners shall further assure that no weeds, underbrush or other unsightly vegetation is permitted to grow or remain upon Owner's Lot and no refuse piles or unsightly objects shall be allowed to be placed or suffered to remain anywhere on Owner's Lot.

Section 2. Enforcement of Owner Maintenance Responsibility. In the event that any Owner fails or refuses to maintain his Lot in the manner set forth above, after written notice to Owner, the Board may authorize its agents to enter upon the Lot and perform any necessary maintenance, the cost thereof shall be assessed against the Owner of the Lot as a Special Assessment. In the event that any Owner leases his Lot and the improvements thereon to a tenant, the Board shall notify the Owner and it shall be the Owner's responsibility to assure that the maintenance is performed.

Section 3. Association Maintenance Obligations. Notwithstanding any other specific requirements set forth herein, the Association is obligated to and responsible for performing all maintenance, repair and restoration in connection with the Common Area and any Limited Common Areas, and any improvements thereon. In addition, the Association may be designated by the Declarant or by a governmental entity as the entity responsible for maintenance of land which is not owned by it, but which serves or benefits the Owners in general and the Property, including without limitation, rights of way, drainage ditches, fences, and conservation areas. Upon such designation as the maintenance providing entity, the Association shall perform such maintenance and the cost thereof shall be a part of the Common Expenses of the Association.

Provided, however, to the extent that the Association maintains any landscaped areas, the Association does not guaranty or warrant any of the landscaping, grass or other flora or plants installed by it or its agents. Accordingly, in the event that any landscaping, grass, plants or flora which the Association installs does not survive, the Association may replace such landscaping, grass, plants or other flora with substitute plant material of its own

selection, using its best judgment and discretion and the Association is not required to replace the landscaping, grass, plants or flora with exactly the same plant material.

## DISCLAIMER OF LIABILITY

Section 1. General Provisions. Notwithstanding anything contained herein, in the Articles, Bylaws or rules and regulations of the Association or any other document governing or binding the Association (jointly referred to herein as "Association Documents"), neither the Declarant nor the Association shall be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Property, including without limitation, residents, their families, guests, invitees, agents, servants, contractors or subcontractors, nor for any Property of such persons.

Section 2. Specific Provisions. Without limiting the generality of the foregoing:

(a) It is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern or regulate the uses of the Property have been written and are to be interpreted and enforced for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof.

(b) Neither the Declarant nor the Association is empowered nor have they been created to act as an entity which enforces or insures compliance with the laws of the United States, the State of Florida, the County of Duval and/or any other jurisdiction or prevents tortious activities.

(c) The provisions of the Association Documents setting forth the uses of Assessments which relate to health, safety and/or welfare shall be interpreted and applied only as limitations on the uses of such funds and not as creating a duty of the Association, or the Declarant, to protect or further the health, safety or welfare of any persons, even if such funds are used for such purposes.

Section 3. Owner Covenant. Each Owner, his heirs, successors and assigns (by virtue of his acceptance of title to his Lot) and each other person or entity having an interest in or lien upon or making use of, any portion of the Property (by virtue of accepting such interest or lien or making use thereof) shall be bound by this Article and shall be deemed to have automatically waived any and all rights, claims, demands and causes of action against the Association or Declarant arising from or connected with any matter for which the liability of the Association or Declarant has been disclaimed in this Article.

## ARTICLE XIV

## GENERAL PROVISIONS

Section 1. Enforcement. The Association, the Declarant for so long as it is a Class B member, or any Owner, shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions

of this Declaration. Failure by the Association, the Declarant or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Term. The covenants and restrictions of this Declaration shall run with and bind the Property, for a term of forty (40) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless a termination thereof is approved by ninety-percent (90%) of the votes of the Members voting at a General Meeting as more fully described in the Bylaws. In the event that the required percentage of Owners determine to terminate the Declaration for any reason other than substantial destruction or condemnation of the Property improvements thereon, such termination must be consented to by Mortgagees representing at least 67% of the votes. Any amendment which would alter the Surface Water or Stormwater Management System (beyond maintenance in its original condition), including the water management portion of the common areas, must have the prior approval of the St. Johns River Water Management District.

Section 4. Amendment. For so long as Declarant retains its Class B Membership, Declarant reserves the right without consent or joinder of any Owner or Mortgagee to amend this Declaration (a) to cure any ambiguity in or inconsistency between the provisions here in contained, (b) to include in any supplemental Declaration or other instrument hereafter made any additional covenants, restrictions and easements applicable to the Property which do not lower the standards of the covenants, restrictions and easements herein contained, (c) to release any Lot from any part of the covenants and restrictions which have been violated, if Declarant, in its sole judgment determines such violation to be a minor or insubstantial violation, (d) as may be required by any Mortgagee, and (e) as it may deem necessary or convenient to support the terms and conditions of the Declaration or the Association. Thereafter, this Declaration may be amended as follows:

(a) During the first twenty (20) years after recording the Declaration, by the vote of ninety percent (90%) of the Members holding Voting Certificates present at a duly noticed General Meeting at which a quorum is present.

(b) After twenty (20) years from recording this Declaration by the vote of seventy-five percent (75%) of the

(b) After twenty (20) years from recording this Declaration by the vote of seventy-five percent (75%) of the Members holding Voting Certificates present at a duly noticed General Meeting at which a quorum is present.

(c) In the alternative, the amendment may be approved by the requisite percentage of Members executing a written consent thereto. Upon obtaining the required percentage of written consents of all Members, the Secretary shall execute a certificate evidencing that the written consents were obtained.

Section 5. Multi Family and Commercial Parcels. Notwithstanding anything else to the contrary set forth herein, the Declarant reserves the right to grant non-exclusive easements over the Common Roads for ingress and egress and non-exclusive easements over the Common Property for utilities, water, sewer, cable television, drainage for the benefit of certain parcels of land which may be developed for multi-family or commercial use. Such easements shall be granted on such basis and subject to such rules and regulations as the Declarant shall determine.

Section 6. Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless same is approved by a vote of seventy-five percent (75%) of the Members at a General meeting. This Section 6 shall not apply, however, to (i) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (ii) the imposition of Assessments as provided, (iii) proceedings involving challenge to ad valorem taxation or (iv) counterclaims brought by the Association in proceedings instituted against it. Notwithstanding the provisions of Section 4 of this Article, this Section 6 shall not be amended unless such amendment is made by the Declarant or is approved by the percentage votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.
